

The International flutist **Luisa Sello** and **Bruno Canino**, one of the best chamber musicians of our time, form a special duo where her personality joins the experience of the Italian pianist. The Duo has been playing in Europe and China, attracting a lot of attention for its excellent skill and naturally perfect feeling. Their collaboration has been appreciated by international reviews and specialized newspapers and their interpretation leaves a deep impression on the audiences.

The recital includes some of the most well known Italian compositions through the beauty of the land of 'Bel Canto'. Beside the highlights of the flute repertoire, the Duo will perform compositions of American composers, Biscardi and Schober, presenting a 'world premiere'. Among the names of Verdi and Rossini, are even brought into the spotlight those of Debussy and Chaminade, expressing the lyricism and the virtuoso element of the French music of the last century, and the wonderful Sonata by Martinů, one of the most representative examples of the chamber music works for flute and piano.
